**Positions That Need To Be Filled:**

Members are able to come forward to be put on the nomination slate. It is advised that you please call Nicole if you wish to be added to the nomination slate and duties of a board member can be discussed to see if a position is the right fit for you. Present positions in the board may change, so a new board member who not be expected to fill the fundraising spot.

Board Meetings are held monthly throughout the year, including the off season as we are busy planning for the upcoming skating year. Though people hold specific board positions, the board functions very much as a team. We therefore often help out in other areas, other than only in our individual portfolios. For example, the whole board is involved in the AGM/ Awards, Registration, large fundraising events, the Christmas Mini Show and the Carnival.

**You do not have to be on the board to make a difference in the club and help out on behalf of your skater and family** – we always welcome extra help for special events or at sessions. If you have any extra time or talents – please let us know. Many hands always make lighter work and we are a dedicated and fun bunch to work with.

Looking forward to seeing you virtually!

Sincerely,

**Nicole**
