CanSkate Update

Congratulations to all our amazing CanSkaters who have passed ribbons and or badges. Keep up the great work. Skaters are evaluated weekly and pass at their own rate not as a whole group. PreCans moving up to CanSkate will be prorated the difference for the sessions remaining and the longer session.

Pre-Can: Julia & Hazel

Stage 1: Badge- Chloe
Control -Adalyn

Stage 2: Badge- Miley, Ava, Avery
Balance- Christian
Agility- Brody, Allie

Stage 3: Badge- Makenna, Emma

Stage 4: Badge- Shelby, Brianna, Naomi - Well done!
Congrats this is a big one as these skaters have moved to PreJuniors!

Parents please remember to check the cookie list. If you are not going to be there on your day, please let Mindy know so we can switch you with another family. Skaters love their cookies after all their hard work. Reminder that they are for the skaters first.

Canskate Fun Competition -Winter Warm Up

Monday Jan 21st, snow date Mon January 28th.

Friday only skaters will do their circuits on Friday January 25th. All skating start times remain the same, however they may end up getting off a bit earlier to pick up their certificates. Skaters will have a warm up area on the ice together to practice circuits with PAs and a coach. They will be called one at a time to do their circuit on a different area to be evaluated. Skaters will be evaluated and given a report card of how they did and will get a certificate and a ribbon based on what level they achieved. The certificates etc, can be picked up at the skating table. Please be patient while it is all being put together. There is no extra charge for this – it is part of CanSkate skater development. It is open to all levels of Canskate. Stage 5 and 6 will be evaluated on their sessions. Have Fun!

Exception Dates – No Skating

The exception dates for the most part were factored into the original price. Please remember that we do not charge families what it actually costs to skate, which would be much more. There may be upcoming snow days where we are not able to skate due to road closures or coaching. These days will not be made up.

[No cancelled sessions are scheduled for the month of January.](#)

Fundraising

Little Caesar's Pizza Kits – Thank you to everyone who ordered.

Delivery is Feb 1st.

Foodland Tapes –Please hand your Foodland receipts in at the Skating Table in the marked container. We get a percentage back towards the club.
