February 2020

Dear Business Members of the Community,

Skate Canada-Mount Forest is proud to announce that we are co-hosting the Skate Ontario 2020 Adult Championships with Skate Ontario. Adult Skaters will be competing in singles, pair and team events, which include freestyle, artistic and dance events. The competition is open for the community to come out and watch and also to cheer on our 8 local skaters who are participating.

It is an opportunity for Mount Forest and surrounding towns to showcase our businesses and community to adults from all over Ontario and some from the USA. There are 242 entries which is up 43 from last year's competition – it's definitely worth the drive to Mount Forest!

The competition runs from Friday April 3rd to Sunday April 5th. Competitors and their families will be sleeping, eating, getting gas and shopping in our local area.

This is an opportunity for the businesses to advertise what they have to offer and leave families with reasons to come back and visit again. Our skating club has hosted three large area competitions over the past 11 years and has the experience in running large events.

By sponsoring either monetarily or through product you are helping to keep the costs down and support not only our local skating club but skater development in Ontario.

Ice and professional coaching are expensive. Therefore co-hosting a competition is an opportunity for the our skating club to fundraise and put money back into all our skating programs from beginner learn to skate in CanSkate, to StarSkate and Special Olympics which are all accessible to adults as well.

Adult Skating is Skate for Life, which keeps our adult community fit, healthy and happy. Adults from 18 to 50 + will be competing in the various and sometimes multiple events. Great role models for our younger athletes, and we even have some generations skating together.

There are all levels of sponsorship and advertising available. We hope you will consider supporting this great event in our community and support amateur sports.

On behalf of our competition committee,

Sincerely,

Nicole
